## Login/Signup Page:

## Signup:

The screenshot shows the Voyager website's signup page. On the left is a dark sidebar with the Voyager logo (a compass rose) and the text "VOYAGER" and "PLAN YOUR TRIPS IN A FEW CLICKS". The main content area has a background image of a city at night. At the top, there are "Log In" and "Sign Up" buttons. The "Sign Up" button is highlighted with a white border. Below the buttons is a signup form with the following fields: "Your Role" (a dropdown menu with "Traveler" selected), "User Name" (a text input field), "Password" (a text input field), and "Confirm Password" (a text input field). A "Signup" button is at the bottom of the form. At the very bottom of the page, there is a small copyright notice: "©Copyright Voyager Pvt. Ltd. All Rights Reserved".

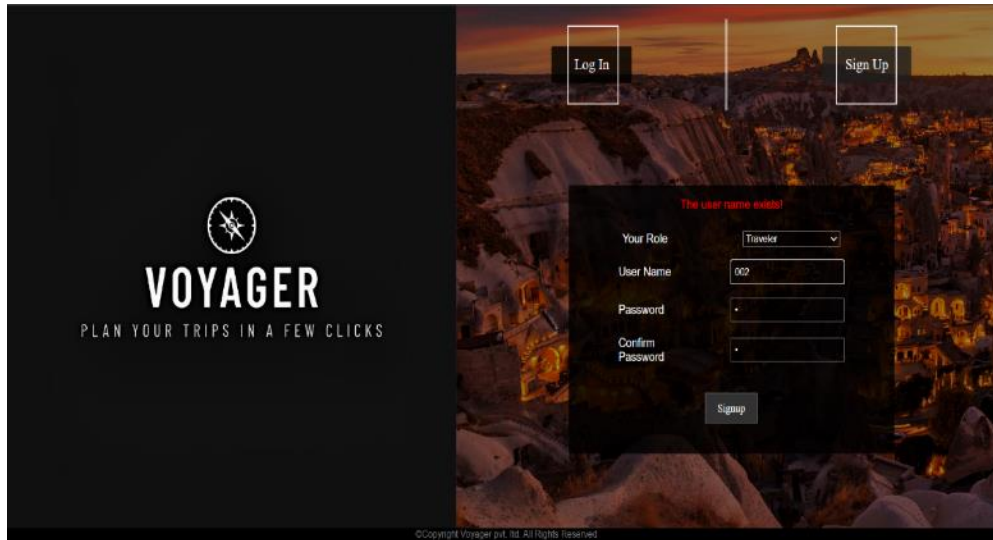

- Password strength validation

This screenshot shows the same signup form as the previous one, but with password strength validation. The "Password" and "Confirm Password" fields now have asterisks (\*) in the input boxes, indicating that the passwords are hidden. Above the "Signup" button, there are four lines of red text providing password requirements: "Password must contain atleast 6 characters", "Password must contain atleast 1 uppercase letter", "Password must contain atleast 1 digit", and "Password must contain atleast 1 special character". The "Log In" and "Sign Up" buttons at the top are still present, with "Sign Up" highlighted. The copyright notice at the bottom remains the same.

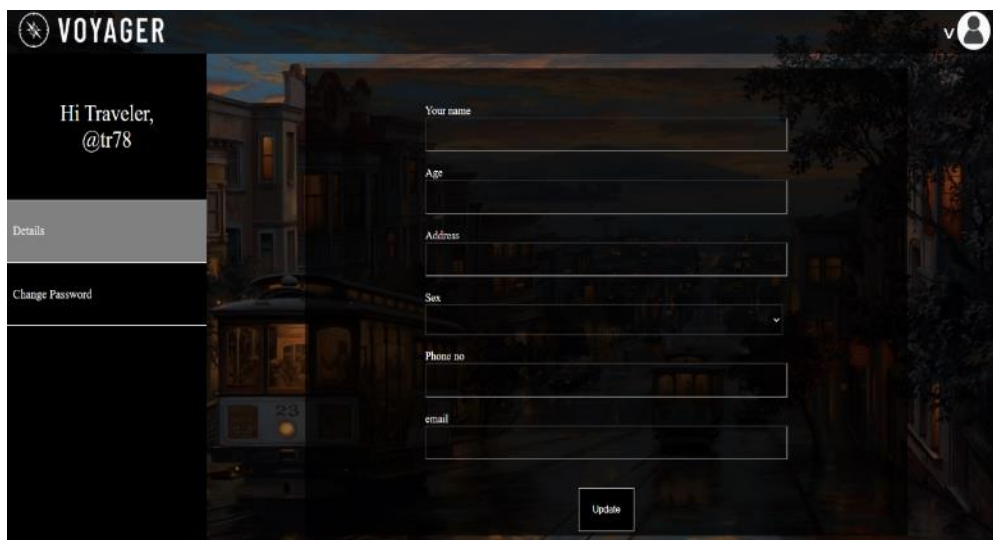

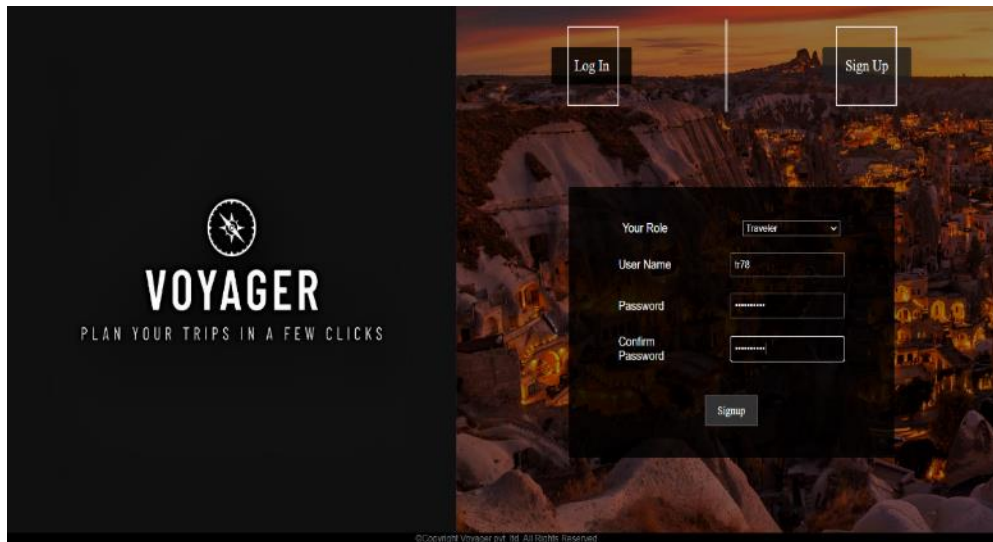

- Password match validation

This screenshot shows the signup form with password match validation. A red error message "Passwords do not match!" is displayed above the "Password" and "Confirm Password" fields. The "Password" field now contains a single character, and the "Confirm Password" field contains a single asterisk (\*). The "User Name" field contains the text "1234". The "Your Role" dropdown menu still shows "Traveler". The "Log In" and "Sign Up" buttons at the top are still present, with "Sign Up" highlighted. The copyright notice at the bottom remains the same.

**Guide:**

- Update Guide Details

The screenshot shows the 'Update Guide Details' form in the VOYAGER application. The background is a dark, atmospheric image of a streetcar on a city street at night. On the left, a sidebar contains the VOYAGER logo, a greeting 'Hi Guide, @003', and two menu items: 'Details' (highlighted) and 'Change Password'. The main form area contains several input fields: 'Your name' (filled with 'Edward'), 'Phone no' (filled with '7067587790'), 'email' (filled with 'edthomas@gmail.com'), and 'proof' (filled with 'Certifications like CTG(Certified Tour Guide), CPTG(Certified Professional Tour Guide)'). An 'Update' button is located at the bottom right of the form.

This screenshot shows the same 'Update Guide Details' form as the previous one, but with a confirmation dialog box overlaid. The dialog box, titled 'Updated details', has a blue 'OK' button. The form fields and sidebar remain visible in the background.
